OUR SERVICES

ACCOUNT MANAGEMENT – Each account is handled by our team of travel managers who will use their expertise to arrange for you everything from flights, hotels, cars, to meetings and special events - more affordable than other agencies or online.

WHOLESALE AIRLINE CONTRACTS – Our 20+ years wholesale expertise dealing with other travel agencies and top-level airline officials sets us apart from most others. We are more knowledgeable and affordable than bigger agencies; we beat online pricing, issue most tickets in-house and do many incredible things only available to wholesalers.

EASIER ACCESS - We work for extended hours 5 days a week and available after hours and weekends for emergencies. In house ticketing allows us to serve you much better than others, especially after hours. We are better than just 24/7 access offered by most others.

CUSTOMIZED REPORTING – We offer a variety of different reports and can customize our reporting to meet your needs to help you stay within your budget.

TRAVEL POLICY CREATION – We work with you to help you create a Travel Policy that works for your company and will help you save money ensuring its compliance.

PROFILE MANAGEMENT - We keep a database of everyone's preferences and information to provide a seamless booking process.

FLEXIBLE PAYMENT OPTIONS – We offer a variety of payment options in CAD & USD based on your company's needs. We can defer your ticketing deadlines longer in many cases to avoid change and cancellation fees better than our competitors.

PREFERRED CAR AND HOTEL RATES – We have great relationships with suppliers and can offer preferred rates for a variety of hotel and car companies.

GROUP AND LEISURE TRAVEL SERVICES – We are a full-service travel agency and can assist you with not only your business travel but group travel, meetings, conferences, incentive or leisure travel. We offer a variety of Travel Insurance options that are often lower than others.
